

Acknowledgements

BLOSS Associates and the Cherry Creek Sub-Association of the Brodhead Watershed Association thank the Watershed Partners, the Steering Committee Members and the citizens and landowners of the watershed who have contributed their time and effort to help craft this vision and plan for the Cherry Creek Watershed. Their commitment to preserving and protecting the watershed underlies this entire plan.

And thanks to all those who attended the public meetings, participated in the Cherry Creek Streamwalk Assessment, completed surveys, or otherwise contributed to the development of the Cherry Creek Watershed Conservation Plan.

This Plan was made possible through a grant from the Pennsylvania Department of Conservation and Natural Resources through the Rivers Conservation Planning Program and local financial and in-kind support from contributors.
